Issue Limits, Face Amounts and Benefits

Fidelity Life's Accidental Death Benefit policy is available from ages 20 through 65, with coverage limits between \$50,000 and \$500,000. The policy is underwritten on a guaranteed issue basis—there are no medical questions on the application.⁴ Most applications are approved within 24 hours.

The policy pays full benefits until age 70, at which time benefits reduce by 50%. Benefits then remain level at this reduced amount until the policy expires at age 80.

Included with the policy at no extra charge are additional Auto Safety and Travel Accident Benefits, see description on the next page. In addition, optional riders are offered for a nominal extra premium. The Family Accidental Death Benefit Rider can provide additional benefits for your spouse and dependent children. The Return of Premium Rider allows the insured to receive a percentage of premium back. These riders are described in detail on the facing page.
